**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 20 and 22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The claims as presented lack transitional phrases that would enable the examiner to determine the metes and bounds of applicant's claim. The examiner is unable to determine for each claim where the preamble ends and where the essential steps of applicant's invention begin. See 37 CFR 1.175(e) as appropriate.

3. Claims 20-23 are rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential steps, such omission amounting to a gap between the steps. See MPEP § 2172.01. The omitted steps are: there are no steps in applicant's method claims.

***Allowable Subject Matter***

4. Claims 109-112 are allowed.

***Conclusion***
